

VILLE DE
MONT-ROYAL

TOWN OF
MOUNT ROYAL

REFUSE AT CURBSIDE: THE ROAD MOST TRAVELED...

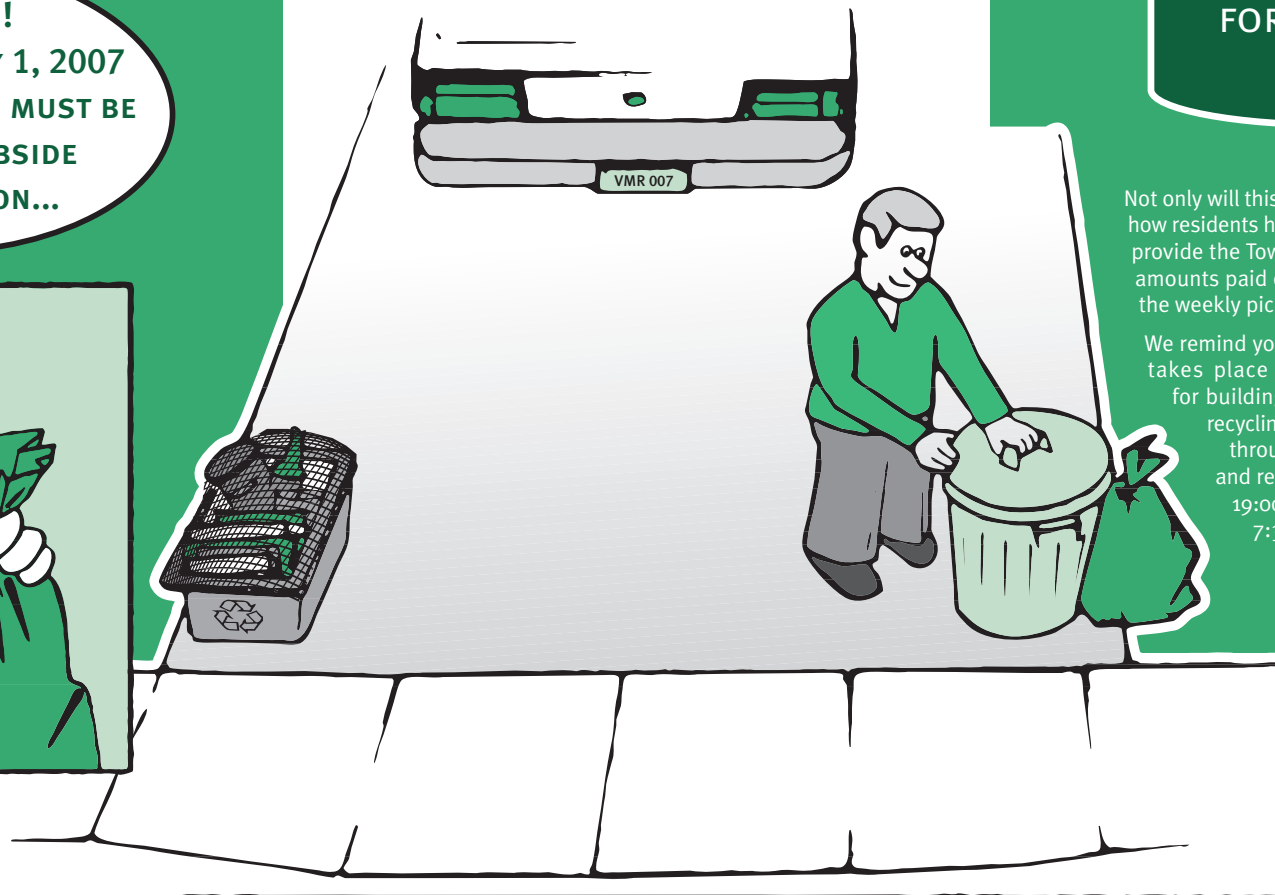

ATTENTION!
STARTING JANUARY 1, 2007
HOUSEHOLD WASTE MUST BE
PLACED AT CURBSIDE
FOR COLLECTION...

ATTENTION : NEW REGULATION FOR BUILDINGS WITH LESS THAN EIGHT UNITS INCLUDING SINGLE FAMILY DWELLINGS (BY-LAW 1358-1)

Please take note that as of January 1, 2007, household garbage **MUST** be placed at curbside, at the same spot as the bins used for the separate collection.

To clearly distinguish between landfill wastes and recoverable materials, it would be preferable to place household garbage on one side of the driveway and the recyclables on the other side (*See illustration*).

DID YOU KNOW
THAT OVER 90%
OF MOUNT ROYAL
RESIDENTS HAVE
ALREADY GOTTEN
INTO THE HABIT
OF PLACING
THEIR HOUSEHOLD
WASTES
AT CURBSIDE
FOR PICK-UP?

Not only will this measure simplify and standardize how residents handle the various containers, it will provide the Town with substantial savings on the amounts paid out to the company hired to make the weekly pick-up.

We remind you that household waste collection takes place once a week, on Wednesdays, for buildings with less than eight units. The recycling collection is also on Wednesdays throughout the Town. Household waste and recycling boxes may be put out after 19:00 the night before pick-up or before 7:30 on collection days.
